

INTERNSHIP REPORT

Database Management

Aditya Gupta

Acapella Productions

MAY 2026 – JULY 2026

| Candidate Profile

INTERN NAME

Aditya Gupta

ROLE

Database Management Intern

ORGANIZATION

Acapella Productions

DURATION

3 Months (May 01 - July 31, 2026)

| About the Program

Acapella Productions

As a dynamic and fast-paced production house, Acapella Productions relies on robust backend systems. Managing vast amounts of media metadata, client records, and production schedules efficiently is paramount to ensuring smooth daily operations and uninterrupted creative workflows.

The Internship Role

This intensive 3-month program focused deeply on strengthening the core data infrastructure. The internship provided hands-on, critical experience in managing enterprise-level database records, resolving architectural bottlenecks, and systematically optimizing query performance.

Problem Statement

Optimizing Data Flow

As production data scales rapidly, retrieving and organizing massive datasets efficiently becomes a critical operational challenge.

This internship directly addressed the urgent need to streamline complex queries and organize scattered data points. The goal was to ensure rapid access, minimize latency, and maintain flawless data integrity for internal teams.

| Project Objectives

Record Management

Actively assist in managing, securely updating, and maintaining large-scale database records required for seamless daily production operations.

Query Optimization

Critically analyze existing data retrieval methods and optimize heavy SQL queries to reduce server latency and improve retrieval speeds.

Data Organization

Systematically restructure and logically organize raw data sets to ensure they are highly accessible, clean, and scalable for future growth.

| Core Competencies

-  **Technical Proficiency:** Demonstrated exceptional technical skills in working with complex database systems and managing robust data pipelines effectively.
-  **Problem-Solving & Innovation:** Showcased a strong, natural aptitude for identifying database bottlenecks and implementing highly innovative, scalable solutions.
-  **Reliability & Efficiency:** Proven to be highly effective, deeply reliable, and precise in achieving all intended organizational data management goals.
-  **Professionalism:** Consistently maintained high sincerity, creativity, and a dedicated, hardworking attitude throughout the entire internship tenure.

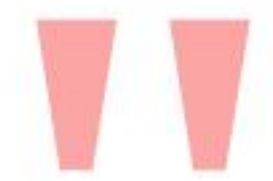

| Internship Timeline

| Management Feedback

Aditya demonstrated exceptional technical skills, professionalism, and a strong aptitude for problem-solving and innovation.

ACAPELLA PRODUCTIONS MANAGEMENT

Certificate of Completion

This certifies that **Aditya Gupta** has successfully and reliably completed the
Database Management Internship at **Acapella Productions**.

TENURE: MAY 01, 2026 - JULY 31, 2026

Thank You

Aditya Gupta

Database Management Intern

Acapella Productions

C-1/B Mansarovar Garden, New Delhi-110015
